

## **Hunter Ball**

Form of organisation: Group

Materials: 2-5 team bands, 3 softballs

Description of the game:

2-5 hunters (with team bands) try to hit other students by throwing softballs.

Students that have been hit must stand still with straddled legs and may only continue to play along after being redeemed by other fellow players (by crawling through their straddled legs).

### **Variations:**

Who catches becomes a new hunter;

One may only play along after fulfilling additional tasks (circling around the pitch twice, rope skipping , etc.) Important: Delimit the pitch (a volleyball field is sufficient for a school class)
